BAY COUNTY ANIMAL CONTROL and CARE CENTER

The Bay County Animal Control and Care Center was built in 2003 - 2004. To compliment this building project, the Humane Society of Bay County kicked off the "Give Me Shelter" Campaign in November 2002. This campaign offered two very distinctive opportunities for contribution: funding a part of "Tree of Hope" or sponsoring an engraved brick for the "Pathway". This Campaign ended April 19, 2004, when the new shelter was occupied.

The Tree of Hope is displayed inside the new Bay County Animal Control and Care Center and the Pathway has been placed in front of the new shelter. Funding part of the Tree of Hope or sponsoring a brick for the Pathway are ways to honor or acknowledge a friend, family member, pet or even a business. These contributions are long lasting and highly visible within our community.

Bay County Animal Control can receive contributions toward the Tree of Hope or the Pathway, even though the Give Me Shelter Campaign is over. Contributions made at this time will be used toward educational items and/or materials.
